Post Critical Incident Seminar

PCIS is a three-day training seminar for first responders who have been through highly traumatic events. The event is experiential in format, providing them the chance to talk through a particularly horrific or troublesome event in the presence of the public safety peers. The group receives training in first responder survival of traumatic stress and coping, as well as one-on-one support from members of the PCIS Peer Team.

PCIS #21
May 1st - 3rd, 2024
Epworth By The Sea
100 Arthur J. Moore Drive
St. Simons Island, GA 31522

There is no course cost for this seminar. Participating departments and agencies will cover meals in transit and two or three nights of lodging.

Please visit www.epworthbythesea.org for lodging information (meals are included with room costs). The seminar, meals, and lodging are all on site.

Registrations will be handled on a first come basis. When all slots have been filled, a waiting list will be compiled based on date of receipt of registration. Upon receiving and approval of your registration, OPSS staff will contact you with further details. Spouses are encouraged to attend and will participate in the seminar and training.

If your spouse or significant other is attending, he/she should complete a separate registration sheet.
